Rates are current as of the date shown and are subject to change at any time. The guaranteed minimum interest rate for all purchase payments will never be below 1.00%. The increasing interest rate will never be below 0.10%.

In general you will pay ordinary income taxes on the earned interest when you receive income benefit payments; you surrender your annuity or you take a withdrawal. You may pay a 10% federal penalty tax on the taxable amount of any payment that you receive before age 59^{1/2}.

A base interest rate is set for each purchase payment you make. In years two through seven of each purchase payment's seven-year term, 0.25% will be added to the credited rate of the previous contract year.
