

Tips For Completing The Withdrawal/Surrender Request Form

Our withdrawal/surrender request form has some sections that are only applicable to certain tax qualifications. Before completing the form, you should verify the tax qualification of your contract (e.g. 403(b), 457(b) or IRA) by visiting our website:

- Log into your account at GAIgannuities.com
- Under “Your Policy Information,” click on “View Details” and look under “Tax Qualification.”
- Scroll down to “Tax Qualification,” and the information will be listed there.

Once you have determined your contract’s tax qualification, you should carefully read each section of the form, which will have specific instructions that depend on the tax qualification. If the instructions are not specific to a tax qualification, it will apply to all contracts regardless of the tax qualification.

If the tax qualification of your contract is a 401, 403(b) or a governmental 457(b), IRS rules impose limitations on accessing your funds. **For example, a withdrawal or surrender will require a signature or a certificate of approval from your plan administrator,** even if you are no longer with that employer. If you are not sure who your plan administrator is, contact your current or former employer.

Also, please carefully read the Income Tax Withholding section, which explains that withholding may be mandatory for contracts under these tax qualifications. You should also read the **Special Tax Notice Regarding Plan Payment,** which explains that processing your payment may be delayed 30 days if you do not waive a 30-day consideration period.

If you have questions on how to complete the form, contact your agent or call our Customer Service representatives at **800-854-3649 for fixed and fixed-indexed annuities** or **800-789-6771 for variable-indexed annuities** between 8 a.m. and 5 p.m. Eastern time.

Other Helpful Tips:

- E-alerts can help you stay informed on the status of your payment request. To receive electronic alerts, include your email address in the contact section of the form and check “yes” in the “receive email alerts” box.
- Many withdrawal requests of up to \$25,000 from non-qualified and IRA contracts may be made over the phone. Please call to see if your contract qualifies. Call our Customer Service representatives between 8 a.m. and 5 p.m. Eastern time to get started.
- A signature notarization or guarantee may be required in order to receive your payment if it is requested by our home office or if you purchased your contract electronically using an electronic signature and you have not previously submitted a notarized signature.
- Please be aware that taking a withdrawal may result in a taxable and reportable event.
- Keep in mind if you have a rider, the withdrawal could have a negative impact on future benefit payments.

Income Tax Withholding (select only one)

For 403(b) TSA, 401 Pension/Profit Sharing/401(k), or a Governmental 457 tax qualified contract, a **minimum of 20% federal income tax** withholding is required by the IRS unless your distribution is a direct rollover, direct transfer, RMD, or due to financial hardship on a 403(b) TSA contract only.

For Non-Qualified and IRA Qualified contracts (Traditional IRA, Roth IRA, SEP-IRA, Simple IRA), federal tax withholding is not mandatory. The default withholding amount for these contract types is 10%.

Whether or not taxes are withheld, you will be liable for payment of all applicable federal and state income taxes on the taxable portion of the distribution. You may also be subject to penalties under the estimated tax rules if your withholding and estimated tax payments, if any, are not adequate. Withholding will only apply to the portion of your distribution that is taxable.

If no selection is made, we will withhold based on the default or mandatory amount required. If federal income tax withholding is elected, state income tax withholding may also apply due to state requirements.

- Withhold the default or mandatory amount required for federal and state income tax.
- Withhold **MORE** than the default or mandatory amount required for federal and state income tax – specify
TOTAL percentage: _____% for Federal Income Tax and _____% for State Income Tax
- DO NOT** Withhold federal income tax or state income tax, unless required.
